WELCOME BACK
Welcome back to the last and usually busiest term of the year. I hope you are all well rested and had an enjoyable holiday. Already we have lots of activities planned so keep checking those diary dates and for notes home.

PLANNING FOR 2018
We are beginning the process of determining grades so if you have a special request for consideration please talk to your child’s classroom teacher or myself as soon as possible. As professionals we strive hard to make decisions that will benefit every child in the school in their learning and friendships. Once grades are determined it is highly unlikely that any changes will be made.

WALK TO SCHOOL
Walk to School month in October is a free, easy and fun way for children to get active. We are asking our students to keep their walking tally, as there are lots of prizes to be won through the Wellington Shire Council and VicHealth. It is wonderful to already see so many children walking laps of the oval. Four laps of our oval are counted as the equivalent of walking to and from school. Preparations are under way for the Adidas Walkathon that will be held on Wednesday 25th of October. Parents and friends are welcome to come along and join in the walk that will commence at 2.00pm. Please ensure all money is returned to school on or before the day, as this will expedite the ordering of any prizes that the children have selected.

GIPPSLAND REGIONAL TRACK AND FIELD CHAMPIONSHIP
Congratulations to our two students that will be competing next Tuesday at Newborough in the Gippsland Regional Championships. Emily Mc and Ella have been training hard with thanks to Owen McGovern and Jessica Forrest and we wish them all the best for their events.

WOOLES EARN AND LEARN
To all families and friends who saved Woolies Earn and Learn stickers we managed to accumulate 4380 points. This will enable us to order equipment for the school when the points are finalised. Thank you!
