CELEBRATIONS FOR OUR SCHOOL COMMUNITY

The recently released Department of Education and Training school performance report for 2018 showcases our endeavour over the last few years with very positive outcome results. We ranked with mostly medium, high or very high performance as a Recharge school, so slightly down on last year’s performance at the highest level. Well done to all of our staff and students for their growth mindset in achieving this very positive result.

ENGIE GIPPSLAND PRIMARY SPORTS CAMP 2018

Congratulations to Keira, Ashton and Jeremy who were selected to attend the three day Annual ENGIE Gippsland Primary School Sports Camp at Rawson Village. I know these students will be fine ambassadors for our school and will have lots of wonderful memories to share.

SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT

We know that students achieve their best at school in safe and supportive environments, where they are free from bullying and disruptive behaviour. At Rosedale Primary School we put a big emphasis on making sure we provide a positive environment for our students – one that promotes our school FLAIR values and is inclusive and harmonious. The best way to tackle bullying is for schools, students and parents to work together. Bullying is a serious issue so please let us know if you have concerns in this respect.

MONDAY 5TH NOVEMBER AND TUESDAY 6TH NOVEMBER SCHOOL IS CLOSED

Monday 5th November is our final Curriculum Student Free Day for the year and will be spent with staff further developing our understanding of thinking strategies to challenge our learners further and analysing our achievement data as part of the school self-evaluation ready for our school review early next year. School will also be closed on Tuesday 6th November for the Melbourne Cup public holiday.

PRESCHOOL TRANSITION

Our Preschool to Primary School Transition Program continues this term with all students who are attending Grade Prep at Rosedale Primary School in 2019 visiting in small groups on three occasions for an hour and a half. This complements the Buddy Program, which we conduct for two terms each Wednesday with the Grade Five students visiting the Preschool for an hour long session with their preschool buddy.

Preschool Members 2018:
Members: Holly Morrison, Jessica Cochrane, Melissa Bastian, Dale Brown, Helen Jones and Debra Power
Executive Officer: Fiona Knight.

**3 Key Nutrients Of A Balanced Lunch Box**

One of my favourite things I love about being a Health & Wellness Coach is seeing the lightbulb go on in the heads of children when they get a simple message about healthy eating. Children love to learn when it’s fun, so this week I’ve included 5 Healthy Food Activities for your children.

1. **A Thinking Activity**
   Find a word, crossword, join the dots, they are all activities children love. The beauty of thinking activities is they can create little messages in the mind of the child when they completing them.

2. **Make Something Yummy to Eat**
   A fun way to get kids involved in healthy eating, is to have them create something to eat. When they make something, they always try it.

3. **Experiments**
   One of the best ways for children to learn is through testing things to see how they work out.

**Ideas**

- Our Healthy Kids Fun page will be continually expanding over the coming months. Keep visiting to get the latest activities to help your children grow their

Parent helpers wanted.

Rosedale Primary School library would appreciate any parents that are happy to help Jan in the Library cover books for 2-3 hours, or you can cover them at home if that is easier for you.
Many thanks Jan

Breakfast Club could really do with donations of Milo. The children love a warm drink in the morning. Donations can be left at the front office and would be greatly appreciated.

Kindest regards.

**16 Days of Activism – Walk for Gender Equality.**

*16 Days of Activism Against Gender-Based Violence* is an international campaign to challenge violence against women and girls. The campaign runs every year from 25 November, the International Day for the Elimination of Violence against Women, to 10 December, Human Rights Day.

To mark this campaign our school will be taking part in a community walk that is being organised by the Sale College Respectful Relationships Cluster of schools consisting of: Gippsland Grammar; Yarram Secondary College; Maffra Secondary College; and Sale College.

The cluster is organising a ‘Walk for Gender Equality’ – happening in Sale on the 7th of December from 10:30, starting at Sale College Guthridge Campus, finishing at the Sale Pedestrian Mall near the clock tower. Our school will be joined by other schools from the Wellington network as well as organisations such CFA, Wellington Shire Council, GippSport and many others who are also actively involved in promoting gender equality as part of the state-wide plan to eliminate violence against women and their children in our community.
